Ref:- Your office letter No. C-5/K.V. Budayan/2020-21/592 dated 22.11.2021

Sir,

Kindly refer to your office letter cited above seeking the building safety certificate for above mentioned school building. In this context, it is submitted that the school building has been constructed & completed by CPWD ONE YEAR ago. As intimated by the Assistant Engineer-In-Charge that "*no structural defects are noticed till date while building is in use by the occupants of school authority*". The above building is safe and secure for the future use.

Thanking You,

Yours Faithfully,

*Prashant*
